 8415 W Sherman St, Tolleson, AZ 85353

Certificate to conduct the business of installing/modifying/testing the following fire protection systems in the City of Phoenix: KITCHEN HOOD EXTINGUISHING SYSTEMS - DAVID GREZENKO - CSA 22340 - EXP 10/22/2022

This certificate expires when the credentials expire earlier than the KIVA permit expiration date.

I hereby certify that I am currently employed by the company that seeks this Business Certificate. My signature indicates that I am the Responsible Party for such company, and as such, I accept full responsibility for all jobs performed by company employees pursuant to this Business Certificate. I understand that as the company's Responsible Party, any citations for violations of the Fire Code will be issued to me. I am aware employees must have a valid competent person card certification on site during any fire inspection to review work performed under the auspices of this Business Certificate. I agree to notify the City of Phoenix Fire Department in writing in the event I leave employment of this company. I understand that if I fail to provide the Fire Department such written notification, I will continue to be listed as the Responsible Party, subject to citation under the Fire Code for all work performed by company employees.
