This license is to be displayed conspicuously at the location of business, and is not transferable or assignable.

If your license has been issued “Mailing Address Only”, this means you can not advertise using your home address (you can use phone number and/or post office box), you will not post any signs indicating that a business is being conducted there, and you will discourage traffic by the public to this address. In other words, there can be no evidence that a business is being conducted at this address.

If you have any questions about zoning, please contact the Zoning Administrator at 888-3261.

You must report mailing address changes, ownership changes or closure of business to the City of Wenatchee Business License Department.
